

Repair Program Information

REQUIREMENTS OF VEHICLE OWNER:

- The vehicle owner name(s) listed on the application must be the same name(s) listed on the registration and title of the vehicle.
- Income can be verified using the **most recent year's**: Federal Income Tax 1040 Form (use Adjusted Gross Income); W2; Disability or Social Security documents; pay stubs for the last three months; or a signed, handwritten statement of unemployment (statement must include details on whether or not any assistance or benefits are/were received by the unemployed individual(s)). If an individual receives federal assistance, a benefits letter may be submitted as income verification.

2016 Annual Income Guidelines (household income must be at or below income guidelines to qualify)

Household Size	1	2	3	4	5	6	7	8
Annual Income	\$35,640	\$48,060	\$60,480	\$72,900	\$85,320	\$97,740	\$110,190	\$122,670

Add \$12,480 for each additional household member

REQUIREMENTS OF VEHICLE:

- Vehicle must have failed an emissions inspection within the past 30 days of the application date.
- Vehicle must have passed the safety portion of the inspection before emissions repairs can take place. The applicant is responsible for all safety item repairs.
- Vehicle must be currently registered, as well as registered for 12 of the past 15 months, in a participating county prior to the application date. The counties currently participating in the program are: Collin; Dallas; Denton; Ellis; Johnson; Kaufman; Parker; Rockwall; and Tarrant.
- Vehicle must be drivable and gasoline powered.
- Commercial and fleet vehicles are not eligible for assistance.
- No reimbursements are allowed if: emissions repairs are made prior to receiving a valid voucher; or if repairs are performed at a non-participating repair facility.

IF ALL REQUIREMENTS ARE MET, THE FOLLOWING REPAIR ASSISTANCE IS AVAILABLE:

- Up to \$600 for a diagnostics test and subsequent emissions repairs
