

THE ART OF PERFORMANCE

APPROVED
CERTIFIED PRE-OWNED

IT'S CALLED JAGUAR

There is a reason it is called a Jaguar vehicle. Its muscular haunches and singularly striking curves are stretched tautly over an immensely powerful and capable machine. It is agile and fast – a hunter whose prowess cannot be matched by its competitors. Those who have the opportunity to drive a Jaguar vehicle know instinctively that what they are driving is more alive than any mere machine.

All of this exhilaration and emotion is attainable through the Jaguar Approved Certified Pre-Owned program. Every Jaguar Approved Certified Pre-Owned vehicle has a spirit and a soul that makes your heart race with anticipation, even when you look at it from across a parking lot. Anything less, and it wouldn't be a Jaguar vehicle.

NATURE AND NURTURE

Jaguar builds vehicles that are an enticing combination of mechanical innovation and extraordinary passion.

These are vehicles whose emotion comes from someplace beyond the inanimate steel and aluminum that make up their structure. They deliver a sense of exhilaration and sophistication that can't be diminished by time. Yet not every Jaguar vehicle qualifies to be an Approved Certified Pre-Owned vehicle. Only those most carefully maintained vehicles from the most discriminating owners make the grade. Fortunately, Jaguar owners are legendary for their near fanatic devotion to their vehicles, which means that virtually the entire range of previously owned Jaguar vehicles of qualifying age and mileage is available for the Approved Certified Pre-Owned program.

The Approved Certified Pre-Owned Warranty offers up to a 7-year/100,000-mile Limited Warranty.* The Jaguar Approved Certified Pre-Owned Limited Warranty coverage and Roadside Assistance benefits begin after the Jaguar New-Vehicle Limited Warranty ends,** so there is no coverage time lost. Furthermore, the Approved Certified Pre-Owned Limited Warranty will transfer upon the sale of the vehicle.

* Jaguar Approved Certified Pre-Owned Coverage, including limited warranty and roadside assistance, expires up to seven years from the original in-service date or 100,000 miles, whichever comes first. Original in-service date is the earlier of the new-vehicle retail sale or in-use date, as reported to Jaguar Land Rover North America, LLC. Select vehicles may have the option for different warranty terms. Vehicles with the 7 years/100,000 miles limited warranty are limited in supply and only available at participating Jaguar Retailers. See your local authorized Jaguar Retailer for complete terms and conditions of the limited warranty and service coverage.

** When the New-Vehicle Limited Warranty expires, Jaguar Approved Certified Pre-Owned Limited Warranty coverage applies until the vehicle is up to 7 years old from original In-Service/In-Use date or has traveled 100,000 miles, whichever occurs first. Original in-service date is the earlier of new-vehicle retail sale or in-use date, as reported to or by Jaguar Land Rover North America, LLC. See your local authorized Jaguar Retailer for complete terms and conditions of the Limited Warranty and Service Coverage.

CERTIFIED ELEGANCE

Long before you see your Approved Certified Pre-Owned Jaguar vehicle for the very first time, it has undergone a rigorous evaluation comprising 165 points of scrutiny. Appearance, performance, reliability and refinement all must pass demanding tests and guidelines with minimal tolerances. If any deficiencies are detected, they are corrected by a Jaguar Retailer using only genuine Jaguar parts. In addition, a Vehicle History Report is provided along with every Approved Certified Pre-Owned Jaguar.

The 165 certification and inspection points include the categories of exterior body and finish, exterior electrical systems, luggage area, engine & engine bay, interior furnishings, interior electrical systems, heating & air-conditioning systems, undercarriage/ drivetrain and, finally, a road test. Each particular Jaguar vehicle may become an Approved Certified Pre-Owned vehicle only if it passes all 165 points within these categories. These select vehicles are fully endorsed by a professional Jaguar technician, your Jaguar Retailer and Jaguar Land Rover North America, LLC.

* Please remember that the safety belts in a Jaguar vehicle constitute the primary protection system for driver and passengers in collisions. Airbags are not designed to deploy in all collisions. The airbag Supplemental Restraint System (SRS) is a supplement to the safety belts and is designed to work as a system with the safety belts. Although airbags provide additional protection, airbags without safety belts do not provide optimal protection in a crash. Always wear your safety belts. Children younger than 13 years old should always be properly restrained in a back seat, away from airbags. Never place an infant seat in the front seat.

** These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

† Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones, (InteractiveVoice™), and other devices, even with voice commands, when it is safe to do so.

THE APPROVED CERTIFIED PRE-OWNED JAGUAR MODEL RANGE

XK

The XK is a Jaguar champion, a direct descendant of some of the most legendary and successful sports cars ever built. It is available in coupe or convertible configurations, each powered by a potent V8 engine, supercharged in the XKR and XKR-S.

F-TYPE

The F-TYPE is a continuation of the Jaguar sporting bloodline. The two-seat, convertible or coupe sports car is focused on performance, agility and driver involvement. In fact, its very visceral feel and unique driving characteristics bring something new to the segment. The Jaguar F-TYPE combines a lightweight chassis, prodigious power and superb aerodynamics to achieve a pure sports-car experience.

XJ

The elegant premium-luxury sedan from Jaguar. The XJ offers an aluminum-alloy monocoque bodyshell for high strength with light weight. Engines are naturally aspirated or supercharged versions of the acclaimed Jaguar V8, or supercharged 3.0-liter V6. Interior space is generous, luxurious and impeccable.

XF

The breakout sports sedan from Jaguar. Dramatic, cutting-edge exterior and interior design with intelligent technology at your disposal. Long, low and wide proportions, with muscle clearly beneath the skin, the XF defines sporting luxury. V8 power delivers a refined yet exhilarating ride. The XF now also offers additional powertrain options, including an efficient 2.0-liter, or a 3.0-liter V6 with available Instinctive All Wheel Drive® system*.

*This feature is not a substitute for safe and attentive driving, nor can it overcome all extreme circumstances. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.
